General Information

Schedule of Activities
5:00 pm Registration and Boxed Dinner Served
5:00 pm – 7:00 pm Diabetic Eye Disease Educator Program Course
7:00 pm – 7:30 pm Live Q & A with Dr. Barbara Blodi, M.D., Professor of Ophthalmology - University of Wisconsin School of Medicine and Public Health

Introduction:
Upon successful completion of this course and the post-test participants will be able to provide sound information and strategies to their diabetic clients and patients on maintaining healthy vision. This is a knowledge based activity.

Course Objectives Include:
- Describe basic information on diabetes and diabetic eye disease
- List parts of the eye and be able to articulate how the visual system works
- Explain diabetic retinopathy and be able to list patient education messages about the condition

Faculty:
Erica Kane, BS, CHES, Prevent Blindness Wisconsin – Program Manager
Dale R. Buettner, O.D., Wisconsin Vision
Dennis P. Han, M.D., Professor of Ophthalmology – Froedtert & the Medical College of Wisconsin

Target Audience:
This course is intended for Certified Diabetic Educators, Registered Nurses, and Health Educators
Continuing Education Credit Information:
This continuing nursing education activity was approved by the American Association of Diabetes Educators, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. This program, 2012-051 approved for 2.0 contact hours.

Sponsored By:
This activity is sponsored by the Wisconsin Lions Foundation, Wisconsin Diabetes Prevention and Control Program and UW Health Foundation

Cost:
$45.00

Reduced registration fees are available for low-income or unemployed individuals. Please contact Erica Kane, Prevent Blindness Wisconsin Program Manager at (414) 765-0505 or by email to erica@preventblindnesswisconsin.org for more information.

Further Information:
