Racine County Vision Screening Coordinator Position Description

**Background:** Founded in 1958, Prevent Blindness Wisconsin improves the lives of children, adults, and families through early detection of eye conditions to prevent blindness and preserve sight. On-going vision screening activities and state-wide public health education lead to a lifetime of healthy vision. Our vision is for each Wisconsin resident to have healthy vision at every stage of life.

Prevent Blindness Wisconsin works in Racine County through the Racine Unified School District and 21st Century Preparatory School, Burlington Area, Kanasville, Raymond, Union Grove, and Yorkville School Districts to provide free, comprehensive vision screenings to children ages 3-5. These vision screenings identify children with possible vision problems and refer them to further vision care. To ensure children receive the vision care they need, Prevent Blindness Wisconsin has developed follow-up resources and classroom education to be used in Racine County elementary schools.

**Job Title:** Racine County Vision Screening Coordinator

**Minimum Qualifications:** Strong communication, organizational, interpersonal skills and ability to work independently is required. Experience or stated desire to work with community volunteers, school personnel, and young children from diverse backgrounds. Computer literacy with Microsoft Office and database software. Ability to provide own transportation to screening sites is required. Computer with internet connection is required. Background check required.

**Preferred Qualifications:** Experience with community health, bilingual (Spanish), experience working with preschool-age children

**Purpose:** This position supports the mission of Prevent Blindness Wisconsin by providing vision screenings to children, with the help of community volunteers, in Racine County elementary schools and childcare centers. Additionally, the position will further support Prevent Blindness Wisconsin’s new initiative to provide follow-up resources and education to students after a vision screening referral throughout the entire county of Racine.

**Reports to:** Amelia Braman, Vision Care Advocate

**Principle Duties:** The Coordinator will deliver children’s vision screenings for children ages 3-5 in Racine County elementary schools and childcare centers. Specific duties will include:
